23560 Lübeck

Name and address  
of manufacturer:

Dräger Safety AG & Co. KGaA  
Revalstraße 1  
23560 Lübeck

Client's reference  
st-pt-qm/dr.pa-mi

Reference of test and certification authority  
681.4 Tob/Lie/Es

Date of issue:  
24.03.2003

Product description:

Half mask with two special filter connections (bayonet connection)

Type:

Dräger X-plore 3300 (size S, M, L)

Intended use:

Half mask for non-power-assisted use to be used with two positively tested Dräger respiratory protective filters of the X-plore series

Test standard:

DIN EN 140 : 1998

Test report No. 200223217/2120 dated 14.02.03 – BIA, Sankt Augustin

Remarks:

This certificate applies in connection with the German instructions for use bearing the BIA stamp dated 24.03.03 and the technical documentation (certificate no. 0301050).

The tested type corresponds to the relevant regulations of directive 89/686/EEC (**personal protective equipment**) changed by directives 93/68/EEC, 93/95/EEC and 96/58/EC.

Other conditions are ruled by the test and certification regulations dated October 1997

Signed
