Vedligeholdelse PE-flet - Polyrattan

Tillykke med Deres nye Outrium havemøbel, som vi håber, De vil blive glad for.

Her har vi samlet en række gode råd og informationer, der kan give Dem mest mulig glæde af Deres havekrukke i mange år fremover.

PE-flet/polyrattan

- Outrium polyrattan møbler er håndflettet i et robust plastmateriale efter stolte håndværkstraditioner.
- Polyrattan er vejr/UV bestandigt. Tåler skiftende vejrtyper og høje temperaturudsving.
- Kræver minimal pleje og simpel rengøring med vand og ph-neutral sæbe eller evt. Trip Trap polyrattan rens (db nr. 5173899).
- Til pleje og vedligeholdelse anbefaler vi Trip Trap Polyrattan Protect (db. nr. **5173900**)
- Opbevares udenfor sæson i et tørt og ventileret rum, f.eks. garage, carport eller kælderrum
- Garantien dækker ikke, hvis møblet har været udsat for frost vinteren over.
