

To customers of the Harpun products

Declaration regarding REACH

The Harpun products are produced and delivered according to REGULATION No 1907/2006 OF THE EUROPEAN PARLIAMENT REACH.

Harpun confirms that Harpun it selves do not import ourselves chemical elements such as plastic resin and master batch into EU but we make use of only European suppliers that are working within REACH.

Further to this, Harpun confirms, that all products are produced and delivered according to the "general terms of sales and delivery" that are available on harpun.com at any time.
